

On home

Up, up, up, home

Home to our village

Up, up, up, home

***Home to our village, ye woh
ohohoh***

***Home to our
village***

The rainy season has come

With whipping drops

The rainy season has come

Thunder cracks

On home

Where shall we go?

To Casa Di Mansa

Let's go home to our clods.

Up, and don't forget

As the ancients did

Let's go drink palm wine

I don't know how to reap wine

Let's go drink palm wine

I have no wine cellar

But my canari is waiting

Let's go to Oo and Gñee,

Their wine is delicious,

Gnagna, Antoine Indama,

To Simon and Komborong

Laurent and Amegñguyak

Your wine is really delicious

Jean Damase, Vital, Biloru,

Charles

Your wine is really delicious

Woye, off to Apandajo

His wine is really delicious

Woye, off to Apandajo

His nip of wine

is really delicious

Viva la Casamance!

Casa Di Mansa

Ziguinchor, Sedhiou, Kolda

Viva la Casamance!
